Washington Street Community Center ends 2016 strong. With your love and continued financial support WSSCC will turn 50 on a positive note. Our preschool and school age classrooms are full (we even have a waitlist!) and Summerville continues to grow in fun and enrollment. Renters utilizing our space provide dozens of programming opportunities for community members to enjoy, including lectures, neighborhood meetings, senior foot care clinics and exercise classes. Our programming combined with local groups utilizing our space keeps us busy. Each year, nearly 25,000 neighbors and friends walk through our 100+ year old halls. We are a living, breathing neighborhood hub! As we turn 50 next year, yes 50, your support is vital to ensure we keep our space beautiful and are thriving for another 50 years. Thank you for loving this place year after year. It is an honor to be here and we look forward to many more years with you!
